

Augsburg Immanuel Lutheran Church
Congregational Meeting
May 5, 2019

Immediately following church services on Sunday, May 5, 2019, a congregational meeting was held in the church sanctuary.

Vice Chairman Denny Lange called the meeting to order.

The first order of business was to vote on changes to the church constitution and by-laws. An initial vote was held to make the synod's recommended changes to reflect that the Chairman and Vice Chairman positions must be held by a male member of the church, and the measure passed at the April 28, 2019 meeting.

A second vote is required to submit the document to synod for approval. The measure was passed unanimously.

The second topic for the meeting was presented by Scott Torbeck to inform members of the upcoming insurance audit follow up, and the need to make sure we are adhering to the safety rules as set down by the insurance company. To reduce clutter in storage areas near the furnace in the parish hall, a little house cleaning is necessary. Boxes of old hymnals will be donated to agencies in need of these supplies. However, if you would like to have one of the hymnals they are available free of charge in the church basement until shipment out can be arranged.

The meeting was adjourned.
