- The re-opening of the church and lifting COVID measures has gone well.
- The Elders approved a continuing education class for the pastor.

Trustees' Report:

- We are having issues with the garage door in the old barn behind the parish hall. We will check in to either fixing the existing door or replacing it.
- An outside water spigot has been replaced on the parish hall. Thank you Rick and Matthew Sasse for completing this task.
- Minor repairs have been completed on the church property as required.

Sunday school:

As always, more people are encouraged to bring their children and grandchildren to Sunday school. We have lots of room and love to see the young people in church.

Bible Class:

Bible class is meeting regularly. The more the merrier. We have some interesting discussions about the word of God and its meaning. You are always welcome to come join the discussion.

Finance Man: No report.

Sexton:

The veterans' monument donated by the American Legion has been installed. It has been placed directly in front of the flagpole in the cemetery. We thank the American Legion for their donation of this permanent memorial to those who served.

Old Business:

- VBS is on for the week of July 12th.
- Lighthouse Pregnancy Center baby bottle campaign has ended, and the bottles have been returned to the center.

New Business:

Pro Build is closing in Breese, and this is important to us because the church windows came from there. The warranty on the church windows is now done. This means that going forward if there are any issues with the windows, we will need to come up with an alternative to Pro Build.

Special Collections:

No special collections for the third quarter.

A motion was made to adjourn the meeting, seconded, and approved. The meeting was closed with the Lord's Prayer.
